# GWG 2025 WHEEL COLLECTION

*Empowering Every Journey.*

*At GWG Wheels, we are driven by the relentless pursuit of innovation, quality, and style. Our mission is to elevate the driving experience by crafting premium wheels that blend cutting-edge design with unparalleled performance. With a commitment to excellence and a passion for automotive mastery, we strive to inspire confidence, enhance aesthetics, and ignite a sense of adventure on every road. We envision a world where our wheels not only complement vehicles but also embody the spirit of individuality and expression. Join us as we redefine the art of wheel craftsmanship and embark on a journey where every revolution is a testament to our unwavering dedication to perfection.*

## RF SERIES PG.06

Our premier range of flow forged alloy wheels. The Raw Form Series brings a new level of class and strength.

## HP SERIES PG.12

GWG's High Performance range of wheels. Staggered fitments and deep concave - nothing but style.

## RS SERIES PG.18

Our Retro Series of wheels. Classic styling, deep lip designs. Wheels for the automotive purist.

## NS SERIES PG.21

Our street series range of wheels. Premium quality, cutting edge designs for the everyday driver.

## GO SERIES PG.27

New for 2025 - Our Offroad line up. Designed to get dirty and take all the punishment you can handle. Heavy duty wheels.

## CS SERIES PG.31

The backbone of the GWG range. Tried and tested wheel designs that have stood the test of time. GWG Classics.

# RF Series

*Introducing the GWG Wheels Raw Form Series, a remarkable blend of luxury and high performance. These flow form wheels are meticulously engineered to provide superior strength and reduced weight, enhancing both the aesthetics and performance of your vehicle. With a variety of finishes and personalized fitments, the RF Series ensures a perfect match for any discerning automotive enthusiast. Elevate your driving experience with the unparalleled quality and style of the GWG Wheels RF Series.*
